XpressCredit Expands its Regulatory Compliance Efforts for Customers

SYRACUSE, NY - - - XpressCredit has expanded its regulatory compliance efficiencies for customers through a new relationship with Carleton. The move further guarantees its customers that all documents, lease and installment contracts are compliant with state and federal guidelines.

Carleton has provided innovative financial solutions that save time and ensure regulatory compliance and accuracy for the past 40 years. "Carleton is excited to be part of the XpressCredit team and appreciate the confidence that XpressCredit has placed in our company for compliance support." said Pat Ruskowski, Carleton president and CEO.

"Compliance and precision are top priorities at XpressCredit. With more than 250 state laws and regulations, we turn to partners who are tops in their field to work with us to ensure that our customer services in this arena are comprehensive and reliable," said Paul Gignilliat, founder and CEO, XpressCredit.

XpressCredit is a leading provider of a web-based, indirect lending platform. Its patent-pending solution links lenders with auto, motorcycle, RV and marine dealers nationwide. A pre-screen of the applicant and collateral provides the ability for lenders to make application decisions quickly and effectively.
